## THE INDUSTRY LEADER

*Highest Quality, Most Realistic & Beautiful Artificial Christmas Trees*

Capture the imagination of your guests with the intricate detailing of our trees. With True Needle® Technology developed and offered exclusively by Balsam Hill, our Christmas trees flawlessly mimic those found in nature. The incredibly realistic needles and branch tips are hand crafted to match the subtle nuances in color, texture, and shape of your favorite natural evergreens.

Balsam Hill takes the breathtaking beauty of the outdoors as a starting point and recreates the magnificence right at the heart of your hotel. Your guests will marvel at the classic elegance of your Balsam Hill Christmas tree, while you benefit from the craftsmanship and durability of this masterpiece for years to come.

*Widest Selection of Shapes & Sizes*

Bring to life the entryways, hallways, and activity spaces of your hotel with the authentic feel of your Balsam Hill Christmas tree. Draw eyes with a stunning 18' Christmas tree in the lobby, or liven up quaint corners with trees as small as 4'.

Balsam Hill provides you with the most diverse collection of Christmas trees available, with profiles ranging from full to slim to potted. Whether your hotel has high ceilings, wide open spaces, or intimate corners, we have the assortment to fit your needs.

---

### *Matching Wreaths & Garlands*

Balsam Hill also offers an exquisite line of matching wreaths and garlands. These products showcase needles with the same texture, color, and ornamentation found in our selection of trees, helping you easily extend the look throughout indoor and outdoor spaces. For a more festive tone, we offer a line of decorated wreaths and garlands.

## INVESTING IN A MASTERPIECE

### *Industry-leading Warranty*

With the excellent craftsmanship of our trees, foliage, and lighting systems, you can expect their beauty to endure. Balsam Hill gives you an industry-leading warranty to guarantee excellence for years to come.

Because of its superb quality, your Balsam Hill Christmas tree will last for decades. Investing in our artificial trees will save you significant time, money, and hassle over time.

We take great pride in the craftsmanship of our products, and we stand behind their quality. All non-clearance trees are backed by our 3-year warranty.

For more warranty information, please visit our [Warranty FAQs](#).

### *Hassle-Free Setup*

<b>FLIP TREE®</b> No heavy lifting. Just roll the tree base into place, flip it, and attach the treetop. Includes Easy Plug.	<b>PRE-FLUFFED™</b> Less time fluffing. Professionally-shaped memory wire branches fan out on unboxing. Includes Easy Plug.	<b>EASY PLUG®</b> Lights connect through the trunk. The only plug you touch is the one that goes into the wall.
---	--	--

### *Assembly & Storage*

Balsam Hill offers you the convenience of easy assembly, disassembly, and storage. Our products come carefully packaged with storage bags to ensure a quick and easy setup. Pre-wired lighting and clearly labeled sections allow you to mount your showpiece and create that perfect holiday mood in minutes.

### *No-hassle Clean-up*

Enjoy a holiday season free of watering trees or sweeping up fallen needles. Balsam Hill artificial trees make setup and cleanup a breeze without sacrificing the look and feel of live Christmas trees.

During the off-season, our durable storage bags help you maintain your tree's condition. Simply dismantle the tree, place it in the provided bag, and you are ready for the following year.

---

## ECOLOGICAL BENEFITS

Inspire guests to make a difference by your choice of environmentally responsible products.

By choosing a Balsam Hill Christmas tree for your hotel, you will be showing support of green initiatives. According to the American Christmas Tree Association, artificial Christmas trees used over many years have a smaller impact on the environment than live trees from Christmas tree farms.

TWINKLY® LIGHTS

### *Innovative Technology*

Let your holiday display shine with pre-lit artificial Christmas trees. UL Listed lights are professional hand-strung to effectively reduce the appearance of wires. Our **Artificial Christmas Trees** with lights are powered by our exclusive Easy Plug® technology, which automatically connects light strings within the tree trunk. All you need is the single plug that goes into the wall to light up your tree.

### *Beautifully Brilliant*

Our pre-lit artificial Christmas trees features a wide range of lighting options that will fit right into your holiday celebrations. Keep it simple and classic with the timeless look of traditional incandescent lights, or add extra cheer and warmth to your display with energy-efficient LED lights. Can't quite decide between clear and multi-colored lights? Our **Color+Clear Technology** gives you 30% more lights for extra brightness and allows you to switch from clear to multi-colored to both with just the touch of a button.

---

## *Merry and Bright*

Light up your holidays exactly the way you want it with pre-lit artificial Christmas trees that let you control the speed, brightness, and color of each light bulb. Our newest lighting technology features fiber optic Christmas tree lights with 23 pre-set light shows to choose from. Delight your guests with a spectacular display by cycling through all the light modes in one go. The new Twinkly® pre-lit artificial Christmas trees allow you to map out and customize your lights from your mobile device. Express your creativity with each light bulb and surprise your guests with your stunning Christmas light exhibition this season.
